

From 1 October 2026, we no longer add a card surcharge.

Surcharging on eftpos, Mastercard, Visa and American Express ends under the card schemes' operating rules.

General information only — not financial, legal or tax advice, and not a recommendation about any product or provider. Compayr is a free self-service comparison tool; we may earn a referral fee if a merchant switches through our website, which never affects our rankings. Confirm all details with your provider. Current as at August 2026.
